The owner (R) of a golden retriever rests his head on his dog as a veterinarian prepares the canine to donate blood at the Beit Dagan Animal Science Institute near Rishon Letzion February 15, 2006. A rare public appeal went out on Wednesday to Israeli pet owners to bring their dogs to donate blood to help save more than a dozen canines poisoned by toxic American pet food. REUTERS

Iraqi Man

A TV frame grab shows an image made available by Australia's Special Broadcasting Service (SBS) on February 15, 2006, of what the broadcaster says is a detainee being abused in Iraq's Abu Ghraib prison taken in 2003. SBS, which aired the images on its 'Dateline' programme on Wednesday, said they were taken at the same time as the photographs of US soldiers abusing Iraqi prisoners inside Abu Ghraib.
